SIDE PANEL SERIES

This mailbox system is designed to be integrated into the side panel of a communal entrance door. It can be a DAD communal door or any other door. Its one-piece design makes the unit neat and offers the latest improvements against vandalism. Made to measure, the front plate can be supplied with insulation components to reduce the loss heat. Other elements such as Dry Riser panel, Fire Switch, intercom and cameras can also integrated within the mailboxes. Mailboxes compliant to Secured By Design Homes 2019.
